

NATIONAL HISPANIC COUNCIL ON AGING

TELE-TOWN HALL

# HEALTH INEQUITIES & COVID-19

The tele-town hall will focus on health inequities and how COVID-19 has exacerbated many of these inequities for high-risk communities of color, LGBT communities and older adults. This tele-town hall will bring together older adults, community leaders, caregivers, organizational leaders, providers, and stakeholders to ensure questions and concerns around health inequities are addressed in an attentive, receptive and culturally sensitive environment.
