WB I-4 ACCESS RAMP FROM PAR ST. SHIFTING TO TEMPORARY CONFIGURATION

SHIFT WILL DIRECT MOTORISTS THROUGH PRINCETON INTERCHANGE BEFORE JOINING I-4

The Florida Department of Transportation (FDOT) is temporarily shifting the westbound Interstate 4 (I-4) entrance from Par Street as soon as Tuesday, November 5. When the shift occurs, the existing merge location to westbound I-4 from the access road between Par Street and Princeton Street will close. Motorists will instead continue on the access road through the traffic signal at the Princeton Street interchange using the middle lane, and enter westbound I-4 from the Princeton Street on ramp. The westbound I-4 entrance ramp from Par Street and the westbound I-4 exit ramp to Princeton Street also will close overnight to accommodate the shift. See reverse side for more details. Tune into AM 1630 for more information about the shift and closures.

PROJECT INFO

The \$2.3 billion I-4 Ultimate project is reconstructing 21 miles of interstate from west of Kirkman Road to east of State Road 434 in Longwood.
