OFFICE OF THE COUNTY EXECUTIVE

County Executive

MEMORANDUM

November 12, 2020

TO: Sidney Katz, President, County Council

FROM: Marc Elrich, County Executive 

SUBJECT: Special Appropriation #21-499 to the FY21 Operating Budget
Montgomery County Government
Department of Housing and Community Affairs
COVID-19 Response: CDBG-CV Maryland State Funding, \$3,473,228

Recently, the Department of Housing and Community Affairs applied for and was awarded competitive Federal funding from the State of Maryland. Through the Federal Coronavirus Aid, Relief, and Economic Security (CARES) Act, the State made available approximately \$15 million in Community Development Block Grant COVID-19 (CDBG-CV) funds. Montgomery County was awarded \$3,473,228. The State (and the Federal Department of Housing and Urban Development (HUD)) requires that this funding be utilized to reduce the negative impact of COVID-19.

This funding will be utilized to provide support for County residents facing housing hardships resulting from the COVID-19 crisis. Specifically, the State requires that funds be used to provide rental assistance to low-income county residents.

I recommend that the County Council approve this special appropriation in the amount of \$3,473,228 and specify the source of funds as Grant Funds. This special appropriation does not impact General Fund Reserves.

I appreciate your prompt consideration of this action.

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

Lead sponsor: Council President at the request of the County Executive

SUBJECT: Special Appropriation #21-499 to the Fiscal Year 2021 Operating Budget
Montgomery County Government
Department of Housing and Community Affairs (DHCA)
COVID-19 Response: Maryland State CDBG-CV HUD CPD Funding
\$3,473,228 (Source of Funds: Grant Funds)

Background

1. Section 308 of the County Charter provides that a special appropriation is an appropriation which states that it is necessary to meet an unforeseen disaster or other emergency, or to act without delay in the public interest. Each special appropriation shall be approved by not less than six Councilmembers. The Council may approve a special appropriation at any time after public notice by news release. Each special appropriation shall specify the source of funds to finance it.
2. A new coronavirus disease, named COVID-19, appeared in China in December 2019 and spread extremely quickly. On March 11, 2020 the World Health Organization declared the disease a pandemic. The March 20, 2020 situation report from the World Health Organization stated that the number of confirmed cases worldwide has exceeded 200,000. It took over three months to reach the first 100,000 confirmed cases, and only 12 days to reach the next 100,000. As of November 10, 2020, there were over 10.2 million confirmed cases in the United States, including 156,000 confirmed cases in Maryland, of which 27,587 were in Montgomery County.
3. To slow the spread of the disease, Governor Hogan declared a State of Emergency and has issued several Executive Orders with actions that include, but are not limited to, closing schools, closing senior centers and adult medical day care programs, closing all non-essential businesses and limiting the number of people that can gather.
4. This public health crisis has resulted in the immediate loss of income for many households as businesses have been required to close and people have been told to stay home. This creates a financial crisis for many County residents and businesses.

5. The Coronavirus Aid, Relief, and Economic Security (CARES) Act was passed by Congress with overwhelming, bipartisan support and signed into law by President Trump on March 27, 2020. This over \$2 trillion economic relief package delivers on the Trump Administration's commitment to protecting the American people from the public health and economic impacts of COVID-19.
6. The Department of Housing and Community Affairs applied for and was awarded competitive Federal funding from the State of Maryland. Through the Federal Coronavirus Aid, Relief, and Economic Security (CARES) Act, the State made available approximately \$15 million in Community Development Block Grant COVID-19 (CDBG-CV) funds. Montgomery County was awarded \$3,473,228. The State (and the Federal Department of Housing and Urban Development (HUD)) requires that this funding be utilized to reduce the negative impact of COVID-19. Funds will be used to provide financial support for County residents currently facing hardships resulting from the COVID-19 crisis.
7. Public notice of the special appropriation was provided by news release and specified the source of funds as Grant Funds.
