## SUBJECT

FY21 Operating Budget – Montgomery County Police Department (MCPD)

## EXPECTED ATTENDEES

Chief Marcus Jones, MCPD  
Trevor Lobaugh, Office of Management and Budget (OMB)

## EXECUTIVE RECOMMENDATION

FY21 Executive Recommendation	<b>\$288,115,840</b>	1902.86 FTE
Decrease from FY20	(\$7,211,489) (2.44%)	(69.4 FTE) (3.5%)

## COUNCIL STAFF RECOMMENDATION – CONTINUITY OF SERVICES BUDGET

FY21 Council Staff Recommendation	<b>\$281,953,711</b>	<b>1898.86 FTE</b>
Increase (Decrease) from FY20	(\$13,208,618) (4.5%)	(73.4) (3.7%)
Increase (Decrease) from CE FY21 Rec	(\$6,162,129) (2.1%)	(4 FTE ) (0.2%)

## OVERVIEW

The CE FY21 Recommended Budget reflects the separation of the Animal Services Division from the Police Department. The Executive has proposed a new non-principal agency called the Office of Animal Services (OAS). This shift in cost is reflected in the Police budget as follows:

Shift Animal Services Division for FY21		
Program	Expenditures	FTEs
Decrease: OAS Chargeback	(\$118,801)	(1.0)
Shift: Transfer of ASD (Management Services)	(\$1,146,670)	(4.0)
Shift: Transfer of ASD (Field Services)	(\$6,661,185)	(70.0)
<b>Total Shifted to New OAS</b>	<b>(\$7,926,656)</b>	<b>(75.0)</b>

The Office of Animal Services budget will be discussed as a separate budget.

## EXECUTIVE RECOMMENDED ITEMS NOT INCLUDED IN CONTINUITY OF SERVICES

The following items are not included in continuity of services:

Add PAL Community Policing	\$557,346
Add Contractor/Security Plans/County Bldgs.	\$260,000
Increase Cost: FY21 Compensation Adjustment	\$5,344,783
<b>Total:</b>	<b>\$6,162,129</b>

- The Police Athletic League (PAL) is a community policing initiative that would be staff through the addition of one sergeant and three police officers.
- The Contractor would help develop security plans at the highest risk County Buildings.
- The FY21 Compensation Adjustment will be addressed separately by Council.

## CONTINUITY OF SERVICES FROM FY20

There are two items listed as additions with service impacts; however, Council staff advises that both are necessary to maintain a continuity of services from FY20 or provide COVID-related services moving in to FY21. There is one enhancement for a Mobile Video System Upgrade Plan for \$495,072. This program will fulfill the Department of Justice (DOJ) consent decree requiring Mobile Video in patrol vehicles. There is a need to install the last 100 patrol vehicles that do not yet have mobile video installed to complete the fleet. In addition, this program will continue to replace existing mobile video cameras that have reached end-of-life in patrol vehicles. The cameras were initially required under a 2000 DOJ memorandum of agreement related to racial profiling in traffic stops and remain a critical component of police accountability.

The other addition is a social worker position to provide stress management resources at the Emergency Communications Center. This addition is \$83,697 and one FTE. While this is a new service within the Police Department, the Emergency Communications Call Specialists (call takers and dispatchers) experience tremendous stress daily, which at times can potentially result in trauma. These stressors have been magnified during the pandemic.

There is also one item in the recommended budget that is characterized as same services, but which adds 2.1 FTEs. These FTEs provide seven new crossing guards for new schools. While the positions are new, they are necessary to provide same services at new schools. Council staff recommends approval of these three items.

## PROPOSED REDUCTIONS DUE TO SOCIAL DISTANCING RESTRICTIONS

- None.

## POTENTIAL ITEMS RELATED TO COVID-19

The following items are COVID-related expenditures and procedures. Depending on the public health situation moving into FY21, these costs may continue, and they may increase. Projected costs cannot be quantified at this time.

- Ongoing COVID differential pay for first responders;
- Additional charges to purchase Protective Personal Equipment; and
- Additional cleaning costs for vehicles and stations.

## RECOMMENDED FY21 BUDGET

\$288,115,840

## FULL TIME EQUIVALENTS

1,902.86

 **MARCUS G. JONES, CHIEF OF POLICE**

## MISSION STATEMENT

The mission of the Montgomery County Police Department (MCPD) is to safeguard life and property, preserve the peace, prevent and detect crime, enforce the law, and protect the rights of all citizens. The Department is committed to working in partnership with the community to identify and resolve issues that impact public safety.

### Community Policing Philosophy

The Montgomery County Police Department embraces the concept of community policing as a philosophy and an organizational strategy. This approach allows the police and the community to work closely together in creative ways to solve the problems of crime or fear of crime, address physical and social disorder, and advance the overall quality of life in the community. This philosophy rests on the belief that the community deserves input into the process and that solutions to today's community problems require both the public and the police to address neighborhood concerns beyond a narrow focus on individual crime incidents. These partnerships and strategies have allowed the Department to address community concerns quickly, to improve the Department's ability to communicate with and better serve the community, and to enhance the Department's ability to accomplish its mission.

## BUDGET OVERVIEW

The total recommended FY21 Operating Budget for the Department of Police is \$288,115,840, a decrease of \$7,211,489 or 2.44 percent from the FY20 Approved Budget of \$295,327,329. Personnel Costs comprise 83.28 percent of the budget for 1,836 full-time position(s) and 206 part-time position(s), and a total of 1,902.86 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 16.72 percent of the FY21 budget.

In February 2020, the County Executive transmitted an update to the County Council related to ongoing efforts to identify no cost/low-cost reorganization efforts that will strengthen the delivery of priority outcomes, realign resources with policy objectives, and improve the efficiency and effectiveness of County government. As part of this plan, the Division of Animal Services was transferred out of the Police Department and established as its own non-principal office in the Executive Branch called the Office of Animal Services.

## Management Services

The Management Services Bureau (MSB) serves to enhance the priority of effective, sustainable government by providing administrative, managerial, and logistical support to all bureaus/programs in the Montgomery County Police Department (MCPD). The MSB is responsible for providing fiscal, personnel, and technological resources and services to the Patrol Services Bureau (PSB), Investigative Services Bureau (ISB), Field Services Bureau (FSB), and Office of the Chief in the following ways:

- Provide the safe and secure storage and preservation of evidence, property, and currency taken into custody by department personnel or authorized allied agencies.
- Receive and process all 9-1-1 calls and other emergency and non-emergency calls, dispatches public safety units within the county, and keeps status on public safety units.
- Maintain personnel files on all employees, process pay and personnel actions, maintain the department complement/assignment roster, conduct background investigations on all potential employees, and recruit qualified employees.
- Budget administration, financial management, facility management, fleet management, procurement/logistics, and other varied programs that support field functions.
- Policy development, planning/research activities, and ensuring compliance with Department policies, procedures, and standards adopted by the Commission on Accreditation for Law Enforcement Agencies.
- Entry-level and in-service training to all police officers, firearms-related training/records, Field Training Officer selection/training, and conduct specialized training for department employees, as well as outside agencies.
- Represent the department in administrative hearings and civil proceedings, issue legal opinions concerning police matters, and handle employee/labor relations functions for the department.
- Management of the department's CIP projects/renovations, and coordination of building and property maintenance services.

Average time to answer 911 calls (seconds)	4.0	5.0	5.0	4.0	4.0

<sup>1</sup> Non-emergency calls have declined by 8% over the last five fiscal years. The increase in non-emergency calls from FY15 to FY17 is attributed to the transfer of the fire non-emergency number to police for answering as part of the consolidation process. Non-emergency calls are answered within the Emergency Communication Center by the same staff who answer 9-1-1 calls. Non-emergency calls generally take longer to process. Their volume and duration do of course have an impact on call taker availability. The impacts are regulated through the application of call queuing and prioritization within the phone system. 9-1-1 calls are prioritized to be answered ahead of non-emergency. Call taker profiles adjustments are managed based on call volumes whereby call takers will be designated to answer only emergency calls.

## Patrol Services

The Patrol Services Bureau (PSB) is the single largest bureau within the Montgomery County Police Department and is truly the "backbone" of the department. The Patrol Services Bureau operates 24 hours a day, 7 days a week and is responsible for the most contacts with those that reside, work and travel within Montgomery County. The The Patrol Services Bureau currently consists of six (6) districts - Rockville, Bethesda, Silver Spring, Wheaton, Germantown, and Gaithersburg - as well as the Community Engagement Division (CED).

The Patrol Services Bureau consists of several specially trained units, including the District Traffic Units, Special Assignment Teams (SAT), District Community Action Teams (DCAT), Community Services Officers (CSOs), and School Resource Officers (SROs). The Patrol Services Bureau is responsible for providing priority and routine services to the public, directed at preventing, deterring and responding to crime throughout Montgomery County with the primary goal of building trust, and developing and maintaining strong relationships between the department and the communities we serve as part of its community policing philosophy. This is accomplished through:

- Proactive enforcement aimed at recognizing problems and preventing criminal activity to prevent victimization.
- Responding to calls for service regarding criminal situations and providing general (non-emergency/non-enforcement) public assistance.
- Identifying victims of crimes and providing victim assistance.
- Enforcement of traffic laws with the specific goal of reducing traffic collisions while promoting traffic and pedestrian safety and education.
- Educating the public in crime prevention methods.
- Protecting educational facilities while providing mentoring, mediation and educational services to all stakeholders in the public school system.
- Developing positive relationships with the residents and the business community in Montgomery County through community engagement efforts which promote a cooperative, transparent, and trusting partnerships.

The Community Engagement Division (CED) was reorganized and instituted in 2016, and the School Resource Officer (SRO) program was organizationally centralized under this division the following year. The mission of CED is to focus on countywide engagement levels, awareness, prevention, outreach, and education, while helping to build trust and establish legitimacy of the police department within our communities; encourage community engagement; and to serve as a liaison between the police department, governmental service agencies, and the community on the local, state and federal levels.
