

Diridon Integrated Station Concept Plan

Community Meeting #4 - Big Moves Workshop

Date Monday September 23, 2019

Time 6:00 – 8:30 PM

Location

Poor House Bistro's Studio
91 S Autumn Street, San José

Join us for a Community Workshop to explore the “big moves” of the future station’s spatial design. The “big moves” are the vertical position of the station platforms, location of the station entrances, and track approaches.

The meeting will offer light refreshments and Spanish interpretation.

Children are welcome to attend!
