

On Saturday We Craft

KAMIAH & KOOSKIA LIBRARIES

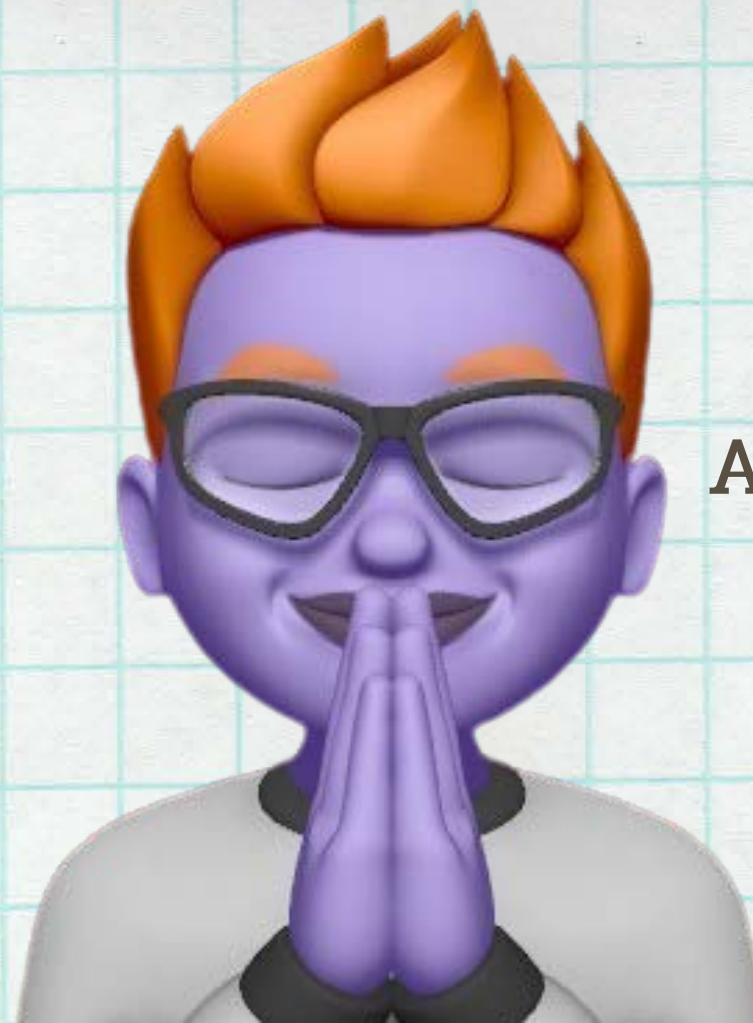

SUMMER READING PROGRAM

IMAGINE
YOUR
STORY

WE WILL BE FILMING WEEKLY CRAFT VIDEOS
USING SUPPLIES MOST PEOPLE HAVE AT HOME.

Dena

April

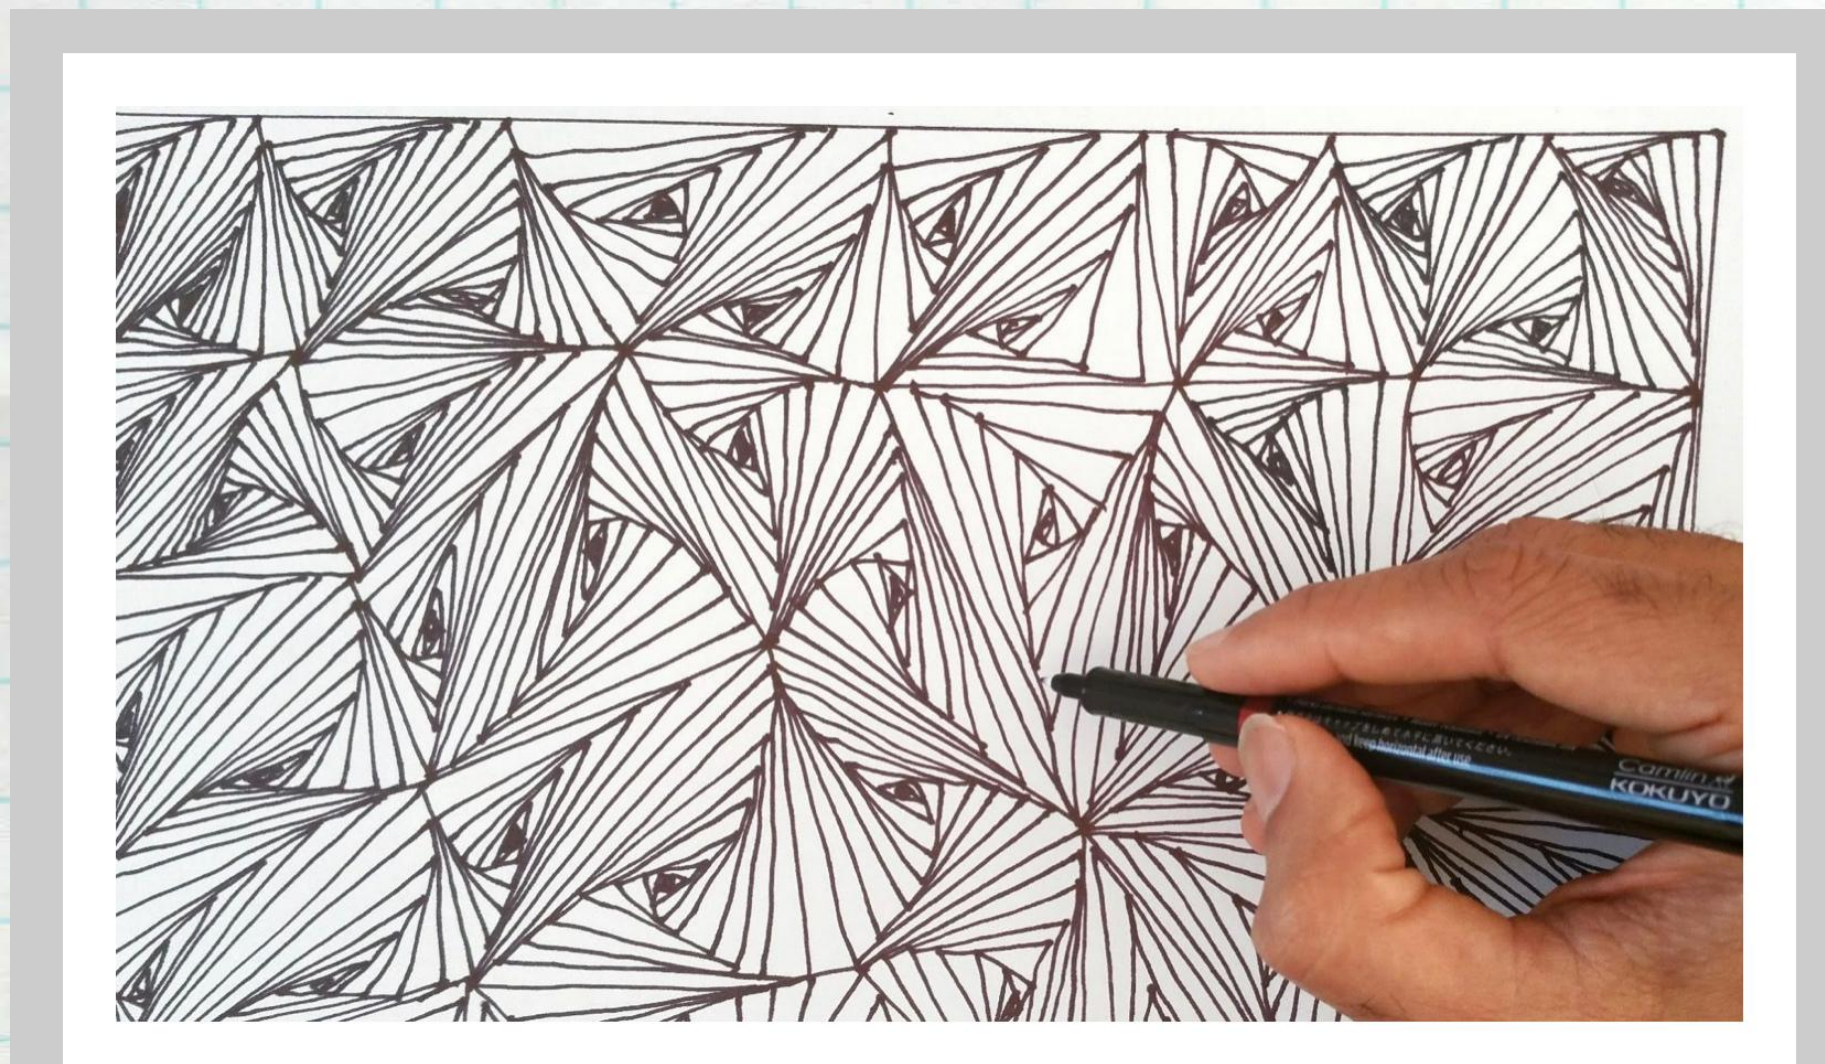

TJ

IMAGINE YOUR STORY

Throughout the video I refer to this style of drawing as Zentangle® which is a copyrighted name.

The creators of the Zentangle method do allow non-commercial and small-scale reference to their methods as long as we say we aren't Certified Zentangle Teachers (CZTs) - and we definitely aren't. We're just two enthusiasts who find drawing repetitive patterns soothing.

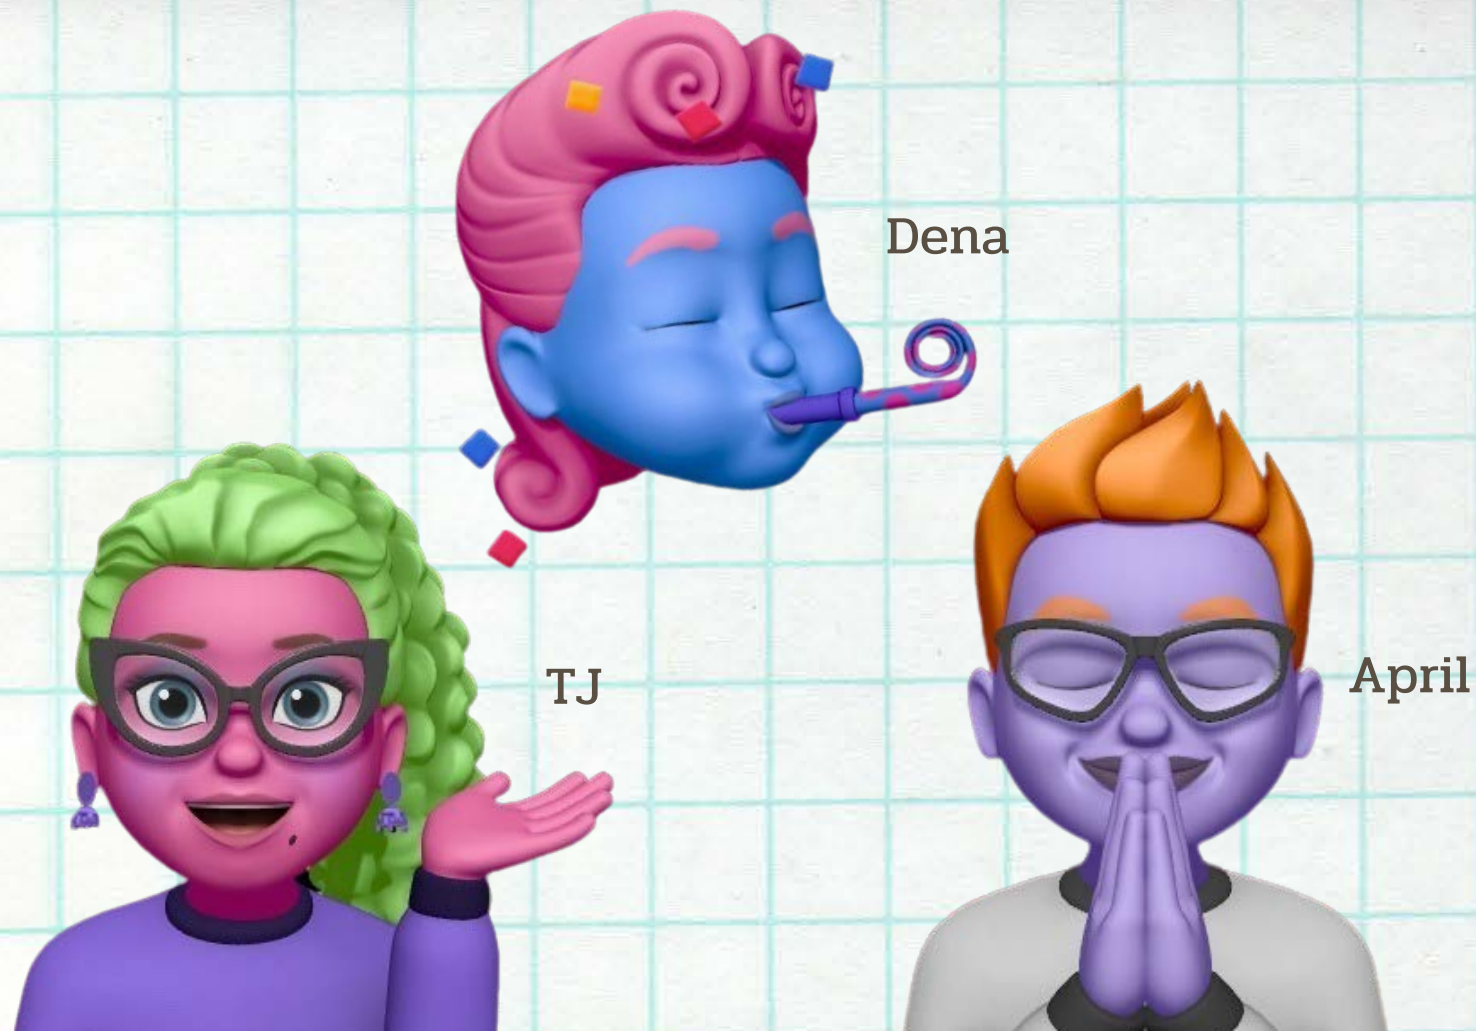

Zentangle®

IMAGINE YOUR ██████████ STORY

In this video Dena and April will show TJ a few of their favorite designs and also show some simple nature drawings to fill in your zines.

Zentangle®

SUPPLIES:

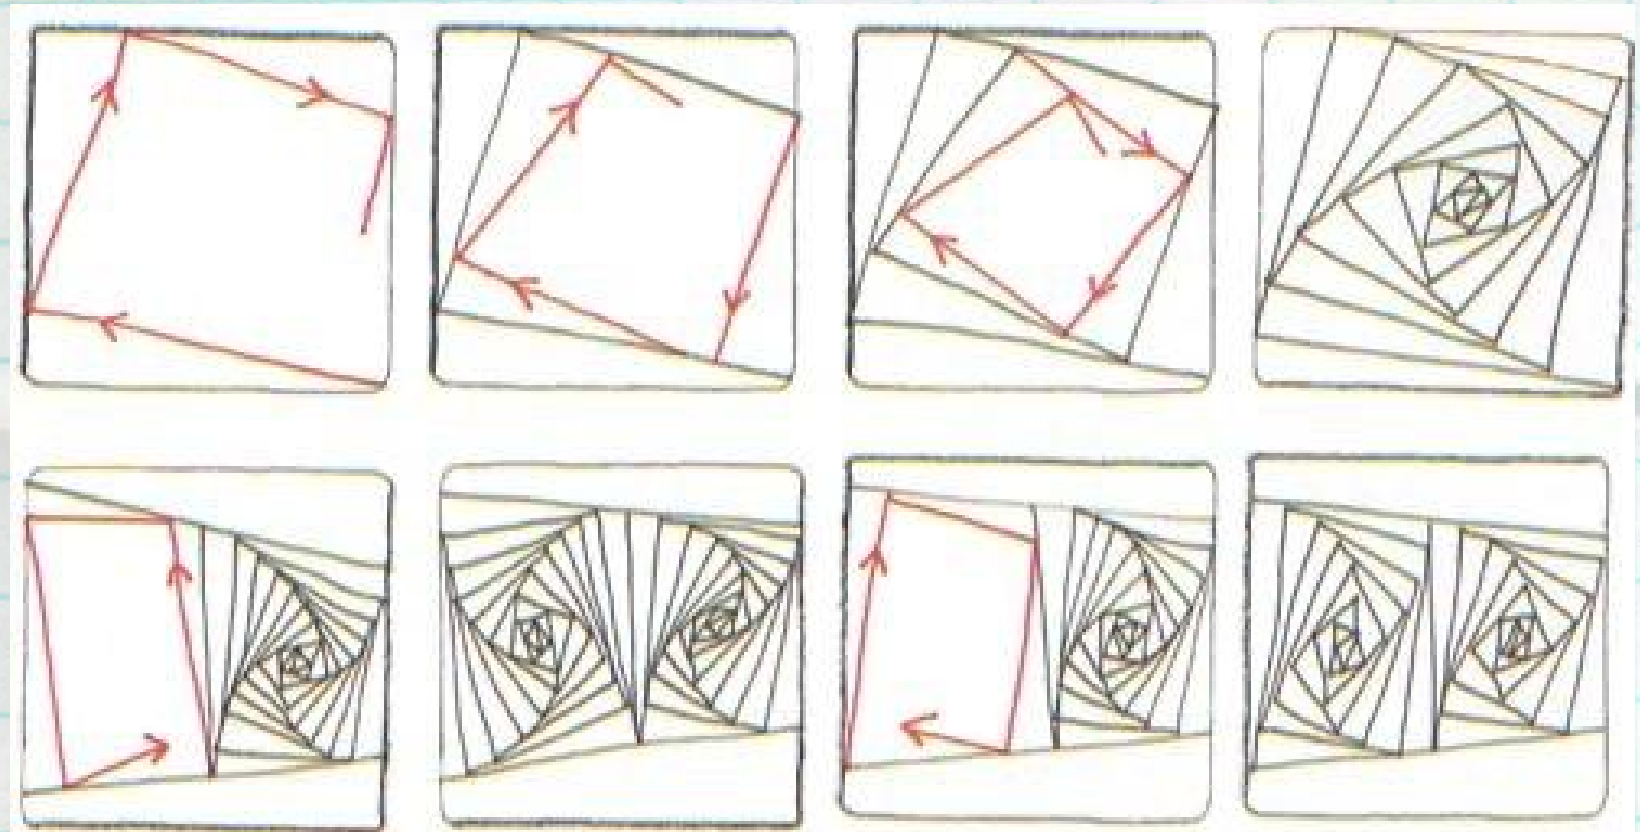

- **Literally any paper**
- **Literally any pen**

THE ZENTANGLE WEBSITE SELLS A VARIETY OF PAPER AND TOOLS THAT CAN HELP YOU MAKE VERY NICE ART, BUT LITERALLY PRACTICING WITH SCRATCH PAPER AND A BALLPOINT PEN IS TOTALLY FINE.

IMAGINE YOUR STORY

There are a million ways to find Zentangles to try including books and online. It's helpful to note the name of the particular pattern on the paper somewhere in case you need to go back and revisit any details or steps. Most Zentangles take a little (or a lot of) practice. Don't be afraid to make mistakes...failing is learning!

Zentangle®

HERE IS A VERSION OF PARADOX
FROM THE ZENTANGLE WEBSITE
THAT USES SQUARES
NOT TRIANGLES.

IMAGINE YOUR STORY

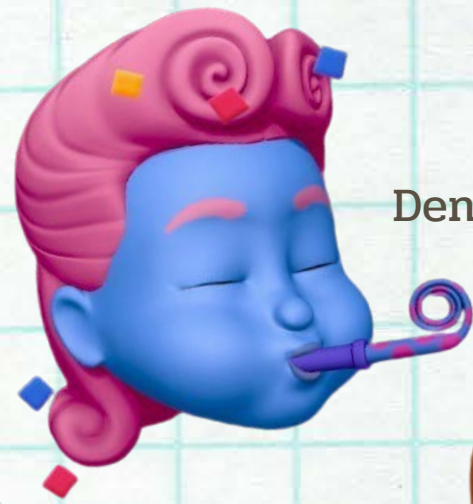

Thanks for watching!

**Tag us on social media
to show us your art.**

Kamiah Community Library
Kooskia Community Library

**Join us again on Saturday
evening for a craft for all ages.**
