

and within 1.3 miles each side of a 079° bearing, extending from the 8.7-mile radius to 11.6 miles east of the Eagle County Regional Airport.

Lastly, this amendment updates the airport's geographic coordinates to match the FAA's aeronautical database.

Regulatory Notices and Analyses

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current, is non-controversial and unlikely to result in adverse or negative comments. It, therefore: (1) Is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, when promulgated, would not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

The FAA has determined that this action qualifies for categorical exclusion under the National Environmental Policy Act in accordance with FAA Order 1050.1F, "Environmental Impacts: Policies and Procedures," paragraph 5–6.5a. This airspace action is not expected to cause any potentially significant environmental impacts, and no extraordinary circumstances exist that warrant preparation of an environmental assessment.

Department of Labor Federal Civil Penalties Inflation Adjustment Act Annual Adjustments for 2020

AGENCY: Employment and Training Administration, Office of Workers' Compensation Programs, Office of the Secretary, Wage and Hour Division, Occupational Safety and Health Administration, Employee Benefits Security Administration, and Mine Safety and Health Administration, Department of Labor.

ACTION: Final rule.

SUMMARY: The U.S. Department of Labor (Department) is publishing this final rule to adjust for inflation the civil monetary penalties assessed or enforced by the Department, pursuant to the Federal Civil Penalties Inflation Adjustment Act of 1990 as amended by the Federal Civil Penalties Inflation Adjustment Act Improvements Act of

2015 (Inflation Adjustment Act). The Inflation Adjustment Act requires the Department to annually adjust its civil money penalty levels for inflation no later than January 15 of each year. The Inflation Adjustment Act provides that agencies shall adjust civil monetary penalties notwithstanding Section 553 of the Administrative Procedure Act (APA). Additionally, the Inflation Adjustment Act provides a cost-of-living formula for adjustment of the civil penalties. Accordingly, this final rule sets forth the Department's 2020 annual adjustments for inflation to its civil monetary penalties.

DATES: This final rule is effective on January 15, 2020. As provided by the Inflation Adjustment Act, the increased penalty levels apply to any penalties assessed after January 15, 2020.

I. Background

On November 2, 2015, Congress enacted the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015, Public Law 114-74, 701 (Inflation Adjustment Act), which further amended the Federal Civil Penalties Inflation Adjustment Act of 1990 as previously amended by the 1996 Debt Collection Improvement Act (collectively, the "Prior Inflation Adjustment Act"), to improve the effectiveness of civil monetary penalties and to maintain their deterrent effect. The Inflation Adjustment Act required agencies to: (1) Adjust the level of civil monetary penalties with an initial "catch-up" adjustment through an interim final rule (IFR); and (2) make subsequent annual adjustments for inflation no later than January 15 of each year.

On July 1, 2016, the Department published an IFR that established the initial catch-up adjustment for most civil penalties that the Department administers and requested comments. See 81 FR 43430 (DOL IFR). On January 18, 2017, the Department published the final rule establishing the 2017 Annual Adjustment for those civil monetary penalties adjusted in the DOL IFR. See 82 FR 5373 (DOL 2017 Annual Adjustment). On July 1, 2016, the U.S. Department of Homeland Security (DHS) and the U.S. Department of Labor (DOL) (collectively, "the Departments") jointly published an IFR that established the initial catch-up adjustment for civil monetary penalties assessed or enforced in connection with the employment of temporary nonimmigrant workers under the H-2B program. See 81 FR 42983 (Joint IFR). On March 17, 2017, the Departments jointly published the final rule establishing the 2017 Annual Adjustment for the H-2B civil monetary penalties. See 82 FR 14147 (Joint 2017 Annual Adjustment). The Joint 2017 Annual Adjustment also explained that DOL would make future adjustments to the H-2B civil monetary penalties consistent with DOL's delegated authority under 8 U.S.C. 1184(c)(14), Immigration and Nationality Act section 214(c)(14), and the Inflation Adjustment Act. See 82 FR 14147-48. On January 2, 2018, the Department published the final rule establishing the 2018 Annual Adjustment for civil monetary penalties assessed or enforced by the Department, including H-2B civil monetary penalties. See 83 FR 7 (DOL 2018 Annual Adjustment). On January 23, 2019, the Department published the final rule establishing the 2019 Annual Adjustment for civil monetary penalties assessed or enforced by the Department,

including H-2B civil monetary penalties. See 84 FR 213 (DOL 2019 Annual Adjustment).

This rule implements the 2020 annual inflation adjustments, as required by the Inflation Adjustment Act, for civil monetary penalties assessed or enforced by the Department, including H-2B civil monetary penalties.¹ The Inflation Adjustment Act provides that the increased penalty levels apply to any penalties assessed after the effective date of the increase. Pursuant to the Inflation Adjustment Act, this final rule is published notwithstanding Section 553 of the APA.

This rule is not an Executive Order 13771 regulatory action because this rule is not significant under Executive Order 12866.

Pursuant to the Congressional Review Act (5 U.S.C. 801 *et seq.*), the Office of Information and Regulatory Affairs designated this rule as not a 'major rule,' as defined by 5 U.S.C. 804(2).

II. Adjustment for 2020

The Department has undertaken a thorough review of civil penalties administered by its various components pursuant to the Inflation Adjustment Act and in accordance with guidance issued by the Office of Management and Budget.²

The Department first identified the most recent penalty amount, which is the amount established by the 2019 annual adjustment as set forth in the DOL 2019 Annual Adjustment published on January 23, 2019. The Department is required to calculate the annual adjustment based on the Consumer Price Index for all Urban Consumers (CPI-U). Annual inflation adjustments are based on the percent change between the October CPI-U preceding the date of the adjustment, and the prior year's October CPI-U; in this case, the percent change between the October 2019 CPI-U and the October 2018 CPI-U. The cost-of-living adjustment multiplier for 2020, based on the Consumer Price Index (CPI-U) for the month of October 2019, not seasonally adjusted, is 1.01764.³ In

¹ The Department is also responsible for administering and enforcing a newly-enacted civil monetary penalty under the Fair Labor Standards Act (*see* Pub. L. 115-141, section 1201 (2018)) and proposed regulations to codify this civil monetary penalty in the Code of Federal Regulations on October 8, 2019. See Tip Regulations Under the Fair Labor Standards Act (FLSA), 84 FR 53956 (proposed Oct. 8, 2019).

² M-20-05, Implementation of Penalty Inflation Adjustments for 2020, Pursuant to the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 (Dec. 16, 2019).

³ OMB provided the year-over-year multiplier, rounded to 5 decimal points. *Id.* at 1.

order to compute the 2020 annual adjustment, the Department multiplied the most recent penalty amount for each applicable penalty by the multiplier, 1.01764, and rounded to the nearest dollar. This resulted in increases to all but four of the penalties administered

by the Department, as set forth in the Appendix.

As provided by the Inflation Adjustment Act, the increased penalty levels apply to any penalties assessed after the effective date of this rule.⁴ Accordingly, for penalties assessed after

January 15, 2020, whose associated violations occurred after November 2, 2015, the higher penalty amounts outlined in this rule will apply. The tables below demonstrate the penalty amounts that apply:

After November 2, 2015	After January 15, 2020	January 15, 2020 levels.

III. Paperwork Reduction Act

The Paperwork Reduction Act of 1995 (44 U.S.C. 3507(d)) requires that the Department consider the impact of paperwork and other information collection burdens imposed on the public. The Department has determined that this final rule does not require any collection of information.

IV. Administrative Procedure Act

The Inflation Adjustment Act provides that agencies shall annually adjust civil monetary penalties for inflation notwithstanding Section 553 of the APA. Additionally, the Inflation Adjustment Act provides a nondiscretionary cost-of-living formula for annual adjustment of the civil monetary penalties. For these reasons, the requirements in sections 553(b), (c), and (d) of the APA, relating to notice and comment and requiring that a rule be effective 30 days after publication in the **Federal Register**, are inapplicable.

V. Executive Order 12866: Regulatory Planning and Review and Executive Order 13563: Improving Regulation and Regulatory Review

Executive Order 12866 requires that regulatory agencies assess both the costs and benefits of significant regulatory actions. Under the Executive Order, a “significant regulatory action” is one meeting any of a number of specified conditions, including the following: Having an annual effect on the economy of \$100 million or more; creating a serious inconsistency or interfering with an action of another agency; materially altering the budgetary impact of entitlements or the rights of entitlement recipients, or raising novel legal or policy issues.

The Department has determined that this final rule is not a “significant” regulatory action and a cost-benefit and economic analysis is not required. This regulation merely adjusts civil monetary penalties in accordance with inflation as required by the Inflation Adjustment

Act, and has no impact on disclosure or compliance costs. The benefit provided by the inflationary adjustment to the maximum civil monetary penalties is that of maintaining the incentive for the regulated community to comply with the laws enforced by the Department, and not allowing the incentive to be diminished by inflation.

Executive Order 13563 directs agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, reducing costs, harmonizing rules, and promoting flexibility to minimize burden.

The Inflation Adjustment Act directed the Department to issue the annual

adjustments without regard to Section 553 of the APA. In that context, Congress has already determined that any possible increase in costs is justified by the overall benefits of such adjustments. This final rule makes only the statutory changes outlined herein; thus there are no alternatives or further analysis required by Executive Order 13563.

VI. Regulatory Flexibility Act and Small Business Regulatory Enforcement Fairness Act

The Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.* (RFA), imposes certain requirements on Federal agency rules that are subject to the notice and comment requirements of the APA, 5 U.S.C. 553(b). This final rule is exempt from the requirements of the APA because the Inflation Adjustment Act directed the Department to issue the annual adjustments without regard to Section 553 of the APA. Therefore, the requirements of the RFA applicable to notices of proposed rulemaking, 5 U.S.C. 603, do not apply to this rule. Accordingly, the Department is not required to either certify that the final rule would not have a significant economic impact on a substantial number of small entities or conduct a regulatory flexibility analysis.

VII. Other Regulatory Considerations

A. The Unfunded Mandates Reform Act of 1995

The Unfunded Mandates Reform Act of 1995, 2 U.S.C. 1531–1538, requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or Tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. This Final Rule will not result in such an expenditure. Therefore, no actions were deemed necessary under the provisions of the Unfunded Mandates Reform Act of 1995.

B. Executive Order 13132: Federalism

Section 18 of the Occupational Safety and Health Act of 1970 (OSH Act) (29 U.S.C. 667) requires Occupational Safety and Health Administration (OSHA)-approved State Plans to have standards and an enforcement program that are at least as effective as federal OSHA's standards and enforcement program. OSHA-approved State Plans must have maximum and minimum penalty levels that are at least as effective as federal OSHA's per Section 18(c)(2) of the OSH Act. *See also* 29 CFR

1902.4(c)(2)(xi); 1902.37(b)(12). State Plans are required to increase their penalties in alignment with OSHA's penalty increases to maintain at least as effective penalty levels.

State Plans are not required to impose monetary penalties on state and local government employers. *See* § 1956.11(c)(2)(x). Five (5) states and one territory have State Plans that cover only state and local government employees: Connecticut, Illinois, Maine, New Jersey, New York, and the Virgin Islands. Therefore, the requirements to increase the penalty levels do not apply to these State Plans. Twenty-one states and one U.S. territory have State Plans that cover both private sector employees and state and local government employees: Alaska, Arizona, California, Hawaii, Indiana, Iowa, Kentucky, Maryland, Michigan, Minnesota, Nevada, New Mexico, North Carolina, Oregon, Puerto Rico, South Carolina, Tennessee, Utah, Vermont, Virginia, Washington, and Wyoming. They must increase their penalties for private-sector employers.

Other than as listed above, this final rule does not have federalism implications because it does not have substantial direct effects on the states, on the relationship between the national government and the states, or on the distribution of power and responsibilities among the various levels of government. Accordingly, Executive Order 13132, Federalism, requires no further agency action or analysis.

C. Executive Order 13175: Indian Tribal Governments

This final rule does not have “tribal implications” because it does not have substantial direct effects on one or more Indian tribes, on the relationship between the Federal government and Indian tribes, or on the distribution of power and responsibilities between the Federal government and Indian tribes. Accordingly, Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, requires no further agency action or analysis.

D. The Treasury and General Government Appropriations Act of 1999: Assessment of Federal Regulations and Policies on Families

This final rule will have no effect on family well-being or stability, marital commitment, parental rights or authority, or income or poverty of families and children. Accordingly, section 654 of the Treasury and General Government Appropriations Act of 1999 (5 U.S.C. 601 note) requires no further agency action, analysis, or assessment.

E. Executive Order 13045: Protection of Children From Environmental Health Risks and Safety Risks

This final rule will have no adverse impact on children. Accordingly, Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks, as amended by Executive Orders 13229 and 13296, requires no further agency action or analysis.

F. Environmental Impact Assessment

A review of this final rule in accordance with the requirements of the National Environmental Policy Act of 1969 (NEPA), 42 U.S.C. 4321 *et seq.*; the regulations of the Council on Environmental Quality, 40 CFR part 1500 *et seq.*; and the Departmental NEPA procedures, 29 CFR part 11, indicates that the final rule will not have a significant impact on the quality of the human environment. As a result, there is no corresponding environmental assessment or an environmental impact statement.

G. Executive Order 13211: Energy Supply

This final rule has been reviewed for its impact on the supply, distribution, and use of energy because it applies, in part, to the coal mining and uranium industries. Mine Safety and Health Administration (MSHA) has concluded that the adjustment of civil monetary penalties to keep pace with inflation and thus maintain the incentive for operators to maintain safe and healthful workplaces is not a significant energy action because it is not likely to have a significant adverse effect on the supply, distribution, or use of energy.

This final rule has not been identified to have other impacts on energy supply. Accordingly, Executive Order 13211 requires no further Agency action or analysis.

H. Executive Order 12630: Constitutionally Protected Property Rights

This final rule will not implement a policy with takings implications. Accordingly, Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights, requires no further agency action or analysis.

I. Executive Order 12988: Civil Justice Reform Analysis

This final rule was drafted and reviewed in accordance with Executive Order 12988, Civil Justice Reform. This final rule was written to provide a clear legal standard for affected conduct and was carefully reviewed to eliminate

drafting errors and ambiguities, so as to minimize litigation and undue burden on the Federal court system. The Department has determined that this final rule meets the applicable standards provided in section 3 of Executive Order 12988.

PENSION BENEFIT GUARANTY CORPORATION

29 CFR Part 4022

Benefits Payable in Terminated Single-Employer Plans; Interest Assumptions for Paying Benefits

AGENCY: Pension Benefit Guaranty Corporation.

ACTION: Final rule.

SUMMARY: This final rule amends the Pension Benefit Guaranty Corporation’s regulation on Benefits Payable in Terminated Single-Employer Plans to prescribe certain interest assumptions under the regulation for plans with valuation dates in February 2020. These interest assumptions are used for paying certain benefits under terminating single-employer plans covered by the pension insurance system administered by PBGC.

DATES: Effective February 1, 2020.

FOR FURTHER INFORMATION CONTACT: Gregory Katz (*katz.gregory@pbgc.gov*), Attorney, Regulatory Affairs Division, Pension Benefit Guaranty Corporation, 1200 K Street NW, Washington, DC 20005, 202-326-4400 ext. 3829. (TTY users may call the Federal relay service toll-free at 1-800-877-8339 and ask to be connected to 202-326-4400, ext. 3829.)

SUPPLEMENTARY INFORMATION: PBGC’s regulation on Benefits Payable in

Terminated Single-Employer Plans (29 CFR part 4022) prescribes actuarial assumptions—including interest assumptions—for paying plan benefits under terminated single-employer plans covered by title IV of the Employee Retirement Income Security Act of 1974 (ERISA). The interest assumptions in the regulation are also published on PBGC’s website (*https://www.pbgc.gov*).

PBGC uses the interest assumptions in appendix B to part 4022 (“Lump Sum Interest Rates for PBGC Payments”) to determine whether a benefit is payable as a lump sum and to determine the amount to pay. Because some private-sector pension plans use these interest rates to determine lump sum amounts payable to plan participants (if the resulting lump sum is larger than the amount required under section 417(e)(3) of the Internal Revenue Code and section 205(g)(3) of ERISA), these rates are also provided in appendix C to part 4022 (“Lump Sum Interest Rates for Private-Sector Payments”).

This final rule updates appendices B and C of the benefit payments regulation to provide the rates for February 2020 measurement dates.

The February 2020 lump sum interest assumptions will be 0.25 percent for the period during which a benefit is (or is assumed to be) in pay status and 4.00 percent during any years preceding the benefit’s placement in pay status. In comparison with the interest assumptions in effect for January 2020, these assumptions represent no change in the immediate rate and are otherwise unchanged.

PBGC updates appendices B and C each month. PBGC has determined that notice and public comment on this amendment are impracticable and contrary to the public interest. This

finding is based on the need to issue new interest assumptions promptly so that they are available for plans that rely on our publication of them each month to calculate lump sum benefit amounts.

Because of the need to provide immediate guidance for the payment of benefits under plans with valuation dates during February 2020, PBGC finds that good cause exists for making the assumptions set forth in this amendment effective less than 30 days after publication.

PBGC has determined that this action is not a “significant regulatory action” under the criteria set forth in Executive Order 12866.

Because no general notice of proposed rulemaking is required for this amendment, the Regulatory Flexibility Act of 1980 does not apply. See 5 U.S.C. 601(2).
