MEMORANDUM

April 9, 2020

TO: County Council

FROM: Christine Wellons, Legislative Attorney

SUBJECT: Expedited Bill 22-20, Administration - Position Creation and Position Alteration - Director of Strategic Partnerships and Director of Criminal Justice Coordinating Commission¹

PURPOSE: Introduction – no Council votes required

Expedited Bill 22-20, Administration - Position Creation and Position Alteration - Strategic Partnerships and Criminal Justice Coordinating Commission, sponsored by the Council President at the request of the County Executive, is scheduled to be introduced on April 14, 2020. A public hearing is tentatively scheduled for April 30.

Expedited Bill 22-20 would:

- (1) create the non-merit appointed position of Director of Strategic Partnerships; and
- (2) eliminate the requirement that the position of Director of the Criminal Justice Coordinating Commission be filled by a non-merit appointee.

BACKGROUND AND BILL DESCRIPTION

On March 18, 2020, the County Executive submitted a memorandum (© 4) to request the introduction of an expedited bill to create a new non-merit position, the Director of Strategic Partnerships. The bill also would eliminate the non-merit position of the Director of the Criminal Justice Coordinating Commission (CJCC). The Executive proposes that the current duties of the CJCC Director be assumed by an individual designated by the Chief Administrative Officer (CAO).

The new Director of Strategic Partnerships, within the Office of the County Executive, would act as a liaison to the County Council; develop Executive positions and testimony on Council matters; coordinate and review Executive regulations; and perform special ad hoc policy assignments, among other duties.

¹ #MoCoStrategicPartnership

Under the bill, the CJCC Director would no longer be a non-merit position appointed by the Executive and confirmed by the Council. Instead, the CAO would designate a CJCC Director. The duties of the CJCC Director would be unchanged. Under Section 2-60 of the County Code, the CJCC Director is responsible for “help[ing] the Commission achieve its objectives by:

- (i) facilitating the coordination of Commission meetings;
- (ii) facilitating the coordination and communication of Commission members;
- (iii) assisting the Commission in obtaining information and assistance from other County agencies and programs as needed; and
- (iv) assuring that the Commission has the staff and other resources it needs.”

In his memorandum, the County Executive states that the new Director of Strategic Partnerships would increase the effectiveness and efficiency of the Executive’s work with the County Council and other strategic partners.

The County Executive requests that the bill be expedited as “critical” for the “successful implementation of both Executive and Legislative priorities.”
