EXECUTIVE RECOMMENDATION

FY21 Executive Recommendation	\$229,540,464	1,340.26 FTE
Increase (Decrease) from FY20	\$6,290,005	22 FTE
	2.82%	1.7%

COUNCIL STAFF RECOMMENDATION – CONTINUITY OF SERVICES BUDGET

FY21 Council Staff Recommendation	\$225,424,727	1319.26 FTE
Increase (Decrease) from FY20	\$2,174,268	1.0 FTE
	1%	0.1%
Increase (Decrease) from CE FY21 Rec	(\$4,115,737)	(21.0) FTE
	(-1.8%)	(-1.6%)

EXECUTIVE RECOMMENDED ITEMS NOT INCLUDED IN CONTINUITY OF SERVICES

The following items are included in the FY21 recommended budget and reflect expenditures beyond the approved FY20 approved budget. These additions include 21 new positions, compensation increases, and expenditures associated with the new MCVFRA collective bargaining agreement. Council staff recommends these items for reduction.

Add Investigator III for Internal Affairs	\$115,571
Compensation Adjustment	\$3,135,292
Add 20 Paramedic Training Positions to Decrease Overtime	\$840,615
Increase Cost: MCVFRA Negotiated Agreement	\$24,259
Total:	\$4,115,737

CONTINUITY OF SERVICES FROM FY20

The following items are changes from the approved FY20 operating budget, but are still required to maintain continuity of services in FY21:

Communications Contingency Plan	\$68,400
Adjust Recruit Instruction OT to reflect prior GWA	\$267,900
EMST Reimbursement Change	\$72,000
EMST Reimbursement Change Vendor Reimbursement	\$20,000
Annualize Midyear Civilian IT Spec to Reduce OT	\$85,974
Second Set of Volunteer Equipment to the Base	\$70,000
Total:	\$584,274

- The Communications Contingency Plan reflects the cost of adding cell phones to fire apparatus to provide an additional mode of communication in the event of public safety radio system disruptions. The new Radio System Infrastructure Project is on schedule to be completed by late December 2020.
- Two items address small components of MCFRS' structural overtime issues, including adjusting recruit instruction overtime to reflect prior General Wage Adjustments (GWA) and a civilian IT position that was added mid-FY20.
- The Emergency Medical Systems Transport (EMST) changes reflect a rate adjustment that aligns charges with the Medicare reimbursement rate. This increase requires a Method 2 regulation change, which the Executive expects to submit to the Council in May. The vendor reimbursement also changes to reflect the overall increase in revenues.
- The cost of purchasing a second set of volunteer equipment has been added to the base, rather than to the Montgomery County Volunteer Fire and Rescue Association (MCVFRA) collective bargaining agreement.

PROPOSED REDUCTIONS DUE TO SOCIAL DISTANCING RESTRICTIONS

None.

POTENTIAL ITEMS RELATED TO COVID-19

The following items are COVID-related expenditures and procedures. Depending on the public health situation moving into FY21, these costs may continue, and they may increase. Projected costs cannot be quantified at this time.

- Ongoing COVID differential pay for first responders;
- Additional charges to purchase Protective Personal Equipment (gloves/gowns/masks/etc.); and
- Additional cleaning costs for both EMS units and stations.

Fire and Rescue Service

RECOMMENDED FY21 BUDGET \$229,540,464

FULL TIME EQUIVALENTS 1,340.26

***** SCOTT GOLDSTEIN, FIRE CHIEF

MISSION STATEMENT

The mission of the Montgomery County Fire and Rescue Service (MCFRS) is to provide maximum protection of lives, property, and the environment with comprehensive risk reduction programs and safe and effective emergency response provided by highly skilled career and volunteer service providers representing the County's diverse population.

MCFRS consists of the Office of the Fire Chief; Division of Operations; Division of Human Resources; Division of Fiscal Management; Division of Support Services; Division of Volunteer Services; the Fire and Emergency Services Commission; and 19 Local Fire and Rescue Departments (LFRD). MCFRS operates 37 fire and rescue stations and several satellite offices.

BUDGET OVERVIEW

The total Recommended FY21 Operating Budget for the Montgomery County Fire and Rescue Service is \$229,540,464 an increase of \$6,290,005 or 2.82 percent from the FY20 Approved Budget of \$223,250,459. Personnel Costs comprise 83.88 percent of the budget for 1,339 full-time positions, and a total of 1,340.26 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 16.14 percent of the FY20 budget.

The Debt Service for the Fire Tax District Fund is appropriated in the Debt Service Fund and is, therefore, not displayed in this section. To pay for the Debt Service, a transfer of funds from the Fire Tax District Fund to the Debt Service Fund of \$8,400,610 for general obligation debt and \$5,105,150 for other debt is required.

In addition, this department's Capital Improvements Program (CIP) requires Current Revenue funding.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following is emphasized:

Safe Neighborhoods

INITIATIVES

- Add firefighter/rescuer positions to the MCFRS budget to eliminate the need for overtime while firefighter/rescuers are engaged full-time in training to become paramedics.
- Add an investigator to reduce the time required to complete internal affairs investigations.
- Provide funding to continue deployment of cell phone technology on all apparatus until the new radio tower system goes live in December 2020.
- Adjust recruit instructor overtime to reflect past General Wage Adjustments.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ** Ambulances in certain areas of the County began transporting some non-severe cases to urgent care centers instead of hospital emergency rooms through the Alternative Destination Pilot Program.
- ** The technical operations section will provide critical information to first responders through enhanced mobile data computers that work with area-wide Smart Building initiatives and regional data systems.
- ** Cabin John Park Volunteer Fire Department received a SAFER grant for \$245,000 to support the recruitment and retention of volunteer firefighters.
- * The logistics section has combined delivery functions for the property/supply and small tools sections to reduce labor costs.

PROGRAM CONTACTS

Contact Dominic Del Pozzo of the Montgomery County Fire and Rescue Service at 240.777.2236 or Rachel Silberman of the Office of Management and Budget at 240.777.2770 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY20 estimates reflect funding based on the FY20 Approved Budget. The FY21 and FY22 figures are performance targets based on the FY21 Recommended Budget and funding for comparable service levels in FY22.

PROGRAM DESCRIPTIONS

Fiscal Management

The Division of Fiscal Management is responsible for the overall management of the MCFRS operating budget; the management and administration of State and Federal funding; management oversight of the EMS reimbursement program; accounts payable; accounts receivable; and contract management and development.

The Budget and Grants Section handles budget development; grant coordination, administration and close-out; expenditure and revenue analysis and tracking; ordering and payment for office and station supplies; and department-wide financial procedures.

The Emergency Medical Services Transport (EMST) Reimbursement Section manages the department's ambulance transport reimbursement program. The section reviews patient care reports, ensures compliance with various local and federal regulations,

manages the contract with the billing company, reconciles revenues, distributes and tracks EMST revenues that are sent to the 19 volunteer departments and monitors the expenditure of EMST reimbursement funds by MCFRS.

The Procurement Section advises and assists in the acquisition of all goods and services for the department. The expertise on procurement procedures and regulations resides in this section, which develops and administers contracts throughout MCFRS. All payments and purchase orders are entered and approved by the Procurement Section, and the section coordinates and oversees the department's purchasing card accounts.

***** Human Resources Division

The Division of Human Resources is a comprehensive support function for MCFRS Operations focused on the management and maximization of potential for human capital. The Division is comprised of various sub-functions.

The Administrative Services Section is responsible for personnel and labor related issues, including coordination with County OHR, recruiting promotional exams, hiring and discipline, and the collective bargaining process. Further, they represent MCFRS, in cooperation with the County Attorney, in mediation, arbitration, alternative dispute resolution, and at the Merit System Protection Board.

Fire Rescue Occupational Medical Services provides focuses on MCFRS health needs. Services provided include entry level physicals, annual physicals, injury care, return to work exams, fitness for duty exams, and vaccinations. This team also monitors employees injured on the job to ensure appropriate care and timely return to work.

The behavioral and mental health component of MCFRS is addressed by the Behavioral Health Section. Staff professionals provide direct clinical services to MCFRS personnel and assist with the Critical Incident Stress Management Team. The staff psychologist also trains and educates personnel.

The Health and Safety Section ensures the occupational health and safety of personnel through management of safety capacity. The program develops and promotes proactive prevention initiatives to reduce injuries to personnel and damage to property through compliance monitoring, investigations and follow up.

The Training Academy is responsible for all job related training for MCFRS personnel. The Training Academy is an accredited

institution that provides multi-level training, education, and certification that is compliant with applicable regulations.

Office of the Fire Chief

The Fire Chief has the ultimate responsibility for the overall management, direction, planning, and coordination of all MCFRS programs and operations. The Office of the Fire Chief manages the overall service needs and delivery requirements of MCFRS including fire and rescue master planning, community risk reduction, community outreach, resource deployment plans, and the overall strategic direction for MCFRS; develops and recommends capital improvement projects; manages and integrates information technology into the MCFRS' business processes; and recommends policy initiatives and programs to the County Executive.

The Office of the Fire Chief includes the Internal Affairs Section and the Planning Section. The internal affairs office investigates complaints and serious violations of the personnel regulations and department policy and conducts procedural background investigations of applicants for firefighter/rescuer positions. The planning office analyzes risk and historical emergency incident activity and considers it along with development and growth to project strategic resource needs, facility placement, special operational requirements, and future workforce levels. The Planning Office develops planning documents such as the Fire, Rescue, Emergency Medical Services, and Community Risk Reduction Master Plan, and the Montgomery County Fire and Rescue Service's Annual Strategic Plan. In addition, considerable mapping and geographic incident data analysis is provided by the Planning Office.

The Community Risk Reduction Section also come under the Fire Chief's Office. The Community Risk Reduction Section identifies and mitigates certain risks to the community in an effort to reduce the number of 911 calls. Initiatives include smoke alarm distribution, home safety visits for seniors, child safety seat installation and bicycle safety education.

***** Operations

The Operations Division is the organizational component of the MCFRS that is responsible for the day-to-day delivery of critical Emergency Medical Services (EMS), Fire Suppression, and Technical Rescue mitigation to the residents and visitors of Montgomery County. The Division's personnel also assist the Division of Volunteer and Community Services by performing a wide variety of non-emergency services that are focused on public education and community risk reduction.

The overall responsibility for Fire and Rescue Service operations lies directly with the Fire Chief. The Division Chief of Operations is assigned by the Fire Chief to manage the Division. The career and volunteer components of the combined service work in an "Integrated Emergency Command Structure" that defines the authority and responsibility for all members of the service. MCFRS responds to approximately 120,000 emergency incidents annually. Requests for emergency medical assistance comprise the majority of those incidents, approximately 95,000 calls annually resulting in the transport of 70,000 people to local hospitals. There are 26,000 fire incidents, technical rescue, and hazardous materials incidents annually.

The Operations Division is organized into four major sections, including Field Operations, Emergency Communications Center (ECC), Special Operations (SOPs), and Emergency Medical and Integrated Healthcare Services (EMIHS). MCFRS personnel operate from 37 Fire and Rescue stations. Thirty-five paramedic engines, 15 aerial units, 6 heavy rescue squads, 12 ALS medic units, 2 paramedic chase cars, and 30 Basic Life Support (BLS) ambulances make up the primary fleet of first response apparatus. There are additional units that can be placed in service with available volunteer or recalled career personnel to increase the MCFRS capability.

¹ During FY19, MCFRS transitioned from four population density zones (Metropolitan, Urban, Suburban, Rural) to two zones: Urban (=2500 residents/sq. mi.) and Rural (<2500). Use of these two zones is consistent with Commission on Fire Accreditation International guidance and U.S. Census Bureau criteria.

Support Services

The Division of Support Services provides central administrative and management service and direction for support functions across the department. Core services include logistics, facilities, and information technology.

The logistics function consists of property and supply, fleet operations, and fleet maintenance. The Property and Supply Section handles the uniform and protective clothing and self-contained breathing apparatus needs for career and volunteer fire and rescue personnel. This includes the procurement, order placement, receipt, storage, inventory, and distribution of a wide array of items, as well as related contract and budget administration and invoice processing. The section coordinates special services such as uniform tailoring and alterations, shoe repair, and protective clothing inspection, cleaning, and repair.

Maintenance of MCFRS heavy apparatus is performed and managed by the Fleet Operations Section. The section ensures compliance with State and Federal regulations pertaining to emissions, inspections, and safe vehicle operation.

The Fleet Support Section handles the acquisition and disposal of County-owned apparatus as well as assisting LFRD's with acquisition of apparatus. The section selects, acquires, maintains and repairs tools, equipment, hose, and appliances used by fire and rescue personnel. Fleet support also purchases and manages fuel for the department.

The Facilities Section is responsible for providing fire and rescue facilities that are properly constructed and maintained to enable all elements of the MCFRS to meet their mission. This includes construction of new stations, renovation of existing facilities, and overall monitoring, management and maintenance of the department's infrastructure.

The Information Technology (IT) Section is responsible for development, implementation, and ongoing support of all IT needs for the department. This section ensures compliance with all Department of Technology Services requirements, assists with Computer Aided Dispatch, directs the Data Warehouse, and maintains desktops, and firehouse reporting and inventory control software.

***** Volunteer Services

The Division of Volunteer Services (DVS) manages and provides support and volunteer advocacy, oversight, mediation, and enforcement of MCFRS policies, coordination and technical assistance, incentives, and administrative services to support the Local Fire and Rescue Departments (LFRD) within MCFRS.

This program promotes consistent and balanced integration of the activities of volunteer and career firefighters and rescuers; promotes recruitment and retention of volunteers, assists LFRDs in training, risk management, the formulation and standardization of LFRD/MCFRS business plans, use and maintenance of fire and rescue apparatus, budget preparation, and formulating department-wide policy.

The program makes recommendations to the Fire Chief, monitors legislative and regulatory actions involving volunteer activities, and informs the affected groups.
