TO: County Council

FROM: Amanda Mihill, Legislative Attorney

SUBJECT: Resolution to adopt a Board of Health Regulation concerning Executive Order No. 117-20, COVID-19 Local Order – Amending and Restating Order dated September 22, 2020.

PURPOSE: Introduction/Public Hearing/Action – Council vote required

On Thursday, October 2, the Council is scheduled to deliberate on a Resolution to approve Executive Order No. 117-20, COVID-19 Local Order – Amending and Restating Order dated September 22, 2020 sitting as the County Council. If the Council approves the Executive Order, the Council, sitting as the Board of Health, will introduce a Resolution to adopt the Executive Order as a Board of Health Regulation.¹ The Board of Health Regulation is sponsored by the County Council. A public hearing is tentatively scheduled for October 1; Council action is tentatively scheduled to follow the public hearing.

Background

The Council has adopted several Resolutions approving Executive Orders related to the COVID health emergency:

- On May 15, 2020, the Council adopted Resolution No. 19-456 approving Executive Order No. 067-20, COVID-19 Local Order. EO 067-20 continued the stay at home order of the Governor for the County until certain criteria in slowing the spread of the COVID-19 virus are met.
- The County’s Local Health Officer, Dr. Travis Gayles, determined that certain criteria were met that would permit a Phase 1 reopening. County Executive Elrich signed EO 070-20, COVID-19 Local Order – Phase 1 permitting certain businesses and activities to operate again in the County as of June 1, 2020. On May 29, 2020, the Council adopted Resolution No. 19-485 approving Executive Order 070-20. On the same day, the Council, sitting as the Board of Health, also adopted Resolution No. 19-484 adopting the Executive Order as a Board of Health Regulation.

¹#COVID19PublicHealthOrder

- The Executive, after consulting with Dr. Gayles, determined that enough progress was made to begin Phase 2 on Friday, June 19. Executive Order 082-20, COVID-19 Local Order – Phase 2 lifted part of the stay at home order and moved the County into Phase 2. On June 16, 2020, the Council adopted Resolution No. 19-496 approving Executive Order 082-20. On the same day, the Council, sitting as the Board of Health, also adopted Resolution No. 19-497 adopting the Executive Order as a Board of Health Regulation.
- On August 4, 2020, the Council adopted Resolution No. 19-579 approving Executive Order 087-20, COVID-19 Local Order – Amending and Restating Order dated June 19, 2020. The Council, sitting as the Board of Health also adopted Resolution No. 19-578 adopting the Executive Order as a Board of Health Regulation on August 4.
- On August 24, 2020, the Council adopted Resolution No. 19-583 approving Executive Order 098-20, COVID-19 – Local Order Amending and Restating Order dated August 5, 2020. The Council, sitting as the Board of Health, also adopted Resolution No. 19-584 approving the Executive Order as a Board of Health Regulation.
- On September 22, 2020, the Council adopted Resolution No. 19-598 approving Executive Order 114-20, COVID-19 – Local Order Amending and Restating Order dated August 24, 2020. The Council, sitting as the Board of Health, also adopted Resolution No. 19-599 approving the Executive Order as a Board of Health Regulation.

On September 18, 2020, Governor Hogan issued Executive Order 20-09-18-01 renewing the authority previously given to Maryland counties to continue to impose limitations on business and personal activities that were more restrictive than those permitted by State Executive Order Number 20-09-18-01, if the political subdivision determines that it is necessary and reasonable to do so in order to prevent the spread of COVID- 19.

On September 26, 2020, the Executive and the County Health Officer determined that it is necessary and reasonable to continue to impose limitations on business and personal activities that are more restrictive than those permitted by State Executive Order 20-09-18-01 in order to prevent the spread of COVID-19.

On September 26, 2020, the Executive issued Executive Order No. 117-20, COVID-19 – Local Order Amending and Restating Order dated September 22, 2020 which allows certain food service establishments to apply for a Late-Night Alcohol Sales Program permit. This permit would allow for alcohol service from 10 p.m. to 12 a.m.

Executive Order 117-20

Executive Order 117-20 is based on the Governor’s Executive Order 20-09-18-01 renewing the authority previously given to Maryland counties to continue to impose limitations on business and personal activities that were more restrictive than those permitted by State Executive Order Number 20-09-18-01, if the political subdivision determines that it is necessary and reasonable to do so in order to prevent the spread of COVID-19. If approved by the Council, EO 117-20 would allow food service establishments to apply for a Late-Night Alcohol Sales permit that would allow for alcohol service from 10 p.m. to 12 a.m. Highlights of this program are that:

- the permit is available to a food service establishment with no prior history of citations or closings due to COVID-19 related violations;

- the food service establishment must designate a staff member/hire a contractor to monitor and enforce face covering and social distancing requirements;
- the food service establishment must suspend the sale of alcohol after 12 a.m. and ensure that all alcoholic beverages are collected from patrons by 12 a.m.;
- a food service establishment that violates the permit requirements would be subject to immediate revocation of the permit, suspension or revocation of their license to sell alcohol, and/or fines; and
- the program will be automatically suspended under certain circumstances, including related to the positivity rate and/or number of cases of COVID-19.

The entirety of the provisions of the permit program are on ©13-14.

Board of Health Regulation

The Board of Health Regulation would approve and adopt the terms of Executive Order No. 117-20, COVID-19 Local Order – Amending and Restating Order dated September 22, 2020, which was signed by County Executive Elrich on September 26, 2020, as a Board of Health Regulation applicable throughout the County.

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY MARYLAND**

Lead Sponsor: County Council

SUBJECT: Approval of Executive Order No. 117-20, COVID-19 Local Order – Amending and Restating Order dated September 22, 2020

Background

1. Maryland Governor Lawrence J. Hogan declared a state of emergency and catastrophic health emergency on March 5, 2020. The Governor’s declaration was renewed on March 17, April 10, May 6, June 3, July 1, July 30, August 10, September 8, and September 18, to control and prevent the spread of COVID-19 within the State.
2. Local officials must be vigilant in advising all individuals in the County of measures they must take to protect health, safety, and welfare of all.
3. The currently known and available scientific evidence and best practices support continued limitations on large gatherings, increased use of face coverings, and continued social distancing to prevent exposures and transmissions, and reduce the threat to especially vulnerable members of the population.
4. The Centers for Disease Control (CDC) advises that social distancing is the most effective way of slowing the spread of COVID-19. The serious health risk to County residents continues despite efforts to require social distancing.
5. On May 13, 2020 Governor Hogan issued State Executive Order 20-05-13-01 that continued to restrict gatherings of more than ten people for social, community, recreational, leisure, and sporting activities and events, requires the continued closure of certain non-essential businesses, and allows for the limited re-opening of certain businesses and activities under certain conditions. The Governor authorized Maryland counties to continue to impose limitations on business and personal activities that were more restrictive than those permitted by the State Executive Order if the political subdivision determines that it is necessary and reasonable to do so in order to prevent the spread of COVID-19.
6. On May 15, 2020, the Executive issued Montgomery County Executive Order 067-20, COVID-19 Local Order, which was more restrictive than State Executive

- Order 20-05-13-01 and included criteria for safely lifting the stay at home order and beginning to reopen businesses.
7. On May 27, 2020 the Governor issued State Executive Order 20-05-27-01 further expanding reopening of certain businesses and facilities, subject to local regulations.
 8. On May 28, Montgomery County had demonstrated significant progress and trends towards meeting much of the criteria listed in County Executive Order 067-20.
 9. On May 28, 2020, County Executive Elrich issued Executive Order No. 070-20, COVID-19 Local Order – Phase 1, reducing some of the stay at home restrictions in the County beginning on June 1, 2020.
 10. On June 10, 2020, Governor Hogan issued Executive Order 20-06-10-01 lifting more restrictions in the State but again gave Maryland Counties the authority to continue to impose limitations on business and personal activities that were more restrictive than those permitted under the Governor’s Executive Order.
 11. On June 15, 2020, the Executive and the County Health Officer determined that it is necessary and reasonable to continue to impose limitations that are more restrictive than the Governor’s Order to prevent the spread of COVID-19 but that some restrictions could be lifted. The Executive issued an Executive Order on June 15 and amended it on June 16. EO 082-20, COVID-19 Local Order – Phase 2, moved the County into Phase 2 by lifting the stay at home order and certain other restrictions on businesses and activities.
 12. On August 3, 2020, Governor Hogan issued Executive Order 20-08-03-01 renewing the authority previously given to Maryland counties to continue to impose limitations on business and personal activities that were more restrictive than those permitted by State Executive Order Number 20-08-03-01, if the political subdivision determines that it is necessary and reasonable to do so in order to prevent the spread of COVID- 19.
 13. On August 3, 2020, County Executive Elrich, after consulting with the County Health Officer, determined that it is necessary and reasonable to continue to impose limitations on business and personal activities that are more restrictive than those permitted by State Executive Order 20-08-03-01 in order to prevent the spread of COVID-19 and issued Executive Order No. 087-20, COVID-19 Local Order – Amending and Restating Order dated June 19, 2020. The Council approved Executive Order No. 087-20 on August 4, 2020 in Resolution No. 19-579. The Council approved Executive Order No. 098-20 on August 24, 2020 in Resolution No. 19-583.
 14. On September 18, 2020, Governor Hogan issued State Executive Order 20-09-18-01 renewing the authority previously given to Maryland counties to continue to impose limitations on business and personal activities that were more restrictive than those permitted by State Executive Order 20-09-18-01, if the political subdivision determines that it is necessary and reasonable to do so in order to prevent the spread of COVID-19.

15. On September 21, 2020, the Executive issued Executive Order No. 114-20, COVID-19 Local Order – Amending and Restating Order dated August 24, 2020, which imposed limitations on business and personal activities that are more restrictive than those permitted under State Executive Orders, but lessens the restrictions on certain businesses and activities. The Council adopted Resolution No. 19-598 approving Executive Order 114-20 on September 22, 2020.
16. On September 26, 2020, the Executive and the County Health Officer determined that it is necessary and reasonable to continue to impose limitations on business and personal activities that are more restrictive than those permitted by State Executive Order 20-09-18-01 in order to prevent the spread of COVID-19.
17. On September 26, 2020, the Executive issued Executive Order 117-20, COVID-19 – Local Order Amending and Restating Order dated September 22, 2020. Executive Order 117-20 allows certain food service establishments to apply for a Late-Night Alcohol Sales Program permit.
18. The Council finds that Executive Order 117-20, attached hereto, issued by County Executive Elrich on September 26, 2020, is necessary to limit the spread of COVID-19.
